

SUMMER IN LONDON

JUNE 3–JULY 1, 2006

THE PROGRAM: This highly successful study program meets at Regents College within lovely Regents Park in North Central London. Facilities include dorms, food services, classrooms, computer labs, and a library. Program courses are supplemented by extensive guest lectures and field trips. Most afternoons and weekends are open to allow visits to Buckingham Palace, Windsor Castle, the National Gallery, Tower of London and more. Personal weekend travel can be arranged to other points in the U.K. and on the continent.

COURSES & INSTRUCTORS: (6 credit hours)

Students must enroll in 3 hours for Session I and 3 hours for Session II.

SESSION I - JUNE 3 - 16

CHOICE OF:

BADM 4050/5200 THE EUROPEAN UNION - DEVELOPMENT AND CHALLENGES - An examination of the rationale for development of the European Union, its structure and operations, and challenges for the future. Special attention will be given to the role of history, politics, culture, and personalities in the development process.
Dr. Steve Miller, Director, International Business Programs and Professor of Marketing
Dr. Greg Mosier, Interim Dean and Professor of Legal Studies in Business

OR

ACCT 4763 FINANCIAL ANALYSIS OF THE GLOBAL FIRM - An introduction to the process by which to evaluate firm performance through financial statement analysis, annual reports, company news, etc. Then corporations from the U.S. and the U.K. will be analyzed to illustrate cross-border contrasts that arise due to the various accounting standards, reporting practices, translation processes, etc. Prerequisite: Principles of Financial Accounting.
Dr. Janet Kimbrell, Associate Professor of Accounting

SESSION II - JUNE 19 - JULY 1

CHOICE OF:

FIN 4550/5010 EUROPEAN BANKING AND FINANCE - An opportunity to personally experience the world of international banking and finance, understand currency exchange and the foreign exchange market, comprehend the impact of the Euro in the international financial environment, obtain a perspective on the history of international banking, and understand emerging trends in global banking.
Dr. Gary Simpson, Chair of Banking and Professor of Finance

OR

BADM 4050/5200 EUROPE - BUSINESS CULTURE AND THOUGHT - An examination of the business climate in Europe through an assessment of contrasting cultures, political orientations, social systems, and legal frameworks. Special attention will be given to the influence of these forces on management styles, governance, cross-border relationships, and perspectives on the future of Europe in the global economy.
Dr. Raj Basu, Vice President of Academic Affairs, OSU-Tulsa and Associate Professor of Management
Dr. Greg Mosier, Interim Dean and Professor of Legal Studies in Business.
